

BIOGRAPHICAL INFORMATION

B. J. (BOB) PIGG

PRESIDENT

ASBESTOS INFORMATION ASSOCIATION/NORTH AMERICA

Mr. Pigg was named president of the Asbestos Information Association/North America in September 1985. Prior positions with AIA/NA included that of executive director and administrative assistant. He joined the Association on July 1, 1974. In addition, he has other responsibilities with the Asbestos Cement Product Producers Association and International Chrysotile Association.

Prior to assuming his current positions, Mr. Pigg completed a 28-year career with the U.S. Navy. He retired with the rank of commander on July 1, 1974 from the Bureau of Naval Personnel where he was serving as assistant for assignment of the admirals in the Navy.

He and his wife, Jewel, are natives of Tennessee; they have two children and four grandchildren. He did undergraduate study at Old Dominion University in Norfolk, Virginia, and is a past member of the Development Board of Abilene Christian University, Abilene, Texas.

Memberships in professional organizations include: American Industrial Hygiene Association; American Society of Testing Materials; and, American Water Works Association.
